

**QuickStart Tennis** is an exciting new format for learning tennis developed by the United States Tennis Association. It is designed to bring kids/youth into the game by adapting the equipment, court dimensions, and the scoring to the age, skill, and size of children just like other youth sports. Each lesson will include movement activities and progressive skill development to learn forehands, backhands, and serves in fun and exciting ways. Youth and Teen/Adult Only: Bring a racket to every class and bring an unopened can of tennis balls to the first class only.
